

Allingtonham, T.

D.

Sept 1914

September 9th, 1914

T. D. Allingham, Esq.,

Box d, Millbank.

Dear Mr. Allingham:

I know of no position in the University that I could offer you at present. Instead of increasing our staff this year it will be necessary to be very economical, and we are facing a difficult winter. I regret very much that you are in such straitened circumstances, and I do not see what I can do to help you.

Yours sincerely,

President.
